MEMORANDUM

Date: May 13, 2022

To: All Rady Faculty of Health Sciences faculty, staff and students

From: Raman Dhaliwal, Executive Director, Rady Faculty of Health Sciences

Dear faculty, staff and students,

The Rady Faculty of Health Sciences is committed to providing a safe and healthy environment for faculty, staff and students.

We have revised the COVID-19 flow chart for staff and students not feeling well and/or who have tested positive or negative to COVID, to assist individuals in navigating what steps they need to take and timelines to follow for return to campus. Please see new information regarding COVID-19 assessment and screening on our Rady [COVID -19 website](#).

If you have any questions, please reach out to your supervisor, instructor, unit head or myself as appropriate with any questions or comments.

Thank you for your continued attention to following UM health and safety protocols.
