

CHOSEN
CARE CLINIC

Job Application: Physician Assistant

Position: Physician Assistant

Salary: \$90,000 to start, with a salary cap of \$115,000. **Working 42-44 weeks of the year (8-10 weeks of vacation/year)**

Hours: 37.5 hours per week (8:00 AM to 4:00 PM, with a half-hour lunch).

Setting: Outpatient Clinic - Chosen Care Clinic **1111 Munroe Ave Unit 204**

Work Weeks: 42 to 44 weeks per year (compared to the typical 48 weeks per year)

Vacation: 8 to 10 weeks off per year

Vacation Details:

- Individuals can take 2 weeks off at a time.
- Special permission for longer vacations can be discussed on a case-by-case basis.
- Vacation time will be predetermined for all but 4 weeks, which can be requested by the applicant. For example, if there are 10 weeks of vacation, the clinic will decide when 6 weeks will be off, and the applicant will have the discretion to choose the remaining 4 weeks.
- Three months of notice is preferred prior to scheduling vacation.

Clinic Description:

Chosen Care Clinic is a musculoskeletal and neuromuscular clinic. We typically see outpatient musculoskeletal issues and nerve-related pathologies. We are a specialist clinic that functions by referral.

Job Responsibilities:

- Assess and provide management for common musculoskeletal and nerve-related pathologies.
- A large majority of time will be dedicated to performing nerve conduction studies.
- Perform typical administrative duties such as reviewing doctor notes, ordering necessary workups, and diagnosing protocols for musculoskeletal and nerve-related pathology.

- Reviewing consult requests and triaging appropriately.

Benefits:

- 2 weeks of sick days provided within the year.
- Benefits will be provided.
- Free parking.
- Free access to a full state-of-the-art gym within the building.
- Training and education on common musculoskeletal and nerve pathologies provided by the specialist physical medicine physician.
- Specialized training on nerve conduction studies provided by the physical medicine doctor.

Work Environment:

- Relaxed and collegial environment.
- In-house team includes 6 physical therapists, 2 athletic therapists, and 2 doctors (one physical medicine doctor and one sports medicine doctor).
- Modern technology and well-designed facilities.
- On-site pharmacy, X-ray clinic, and minor urgent care for good support within the building.

Start Date: As soon as possible

Please Email CV to standuprehab@gmail.com

This position offers a competitive salary for working only **42 to 44 weeks per year**, compared to the typical 48 weeks per year in other positions. This significant benefit allows for more time off and a better work-life balance.
