**Subject:** Fw: Physician Assistant Recruitment Opportunity – Inquiry Regarding Recruitment Channels and Engagement Opportunities

**Caution!** This message was sent from outside the University of Manitoba.

Good Day- I tried to send this before, and got a bounce back, so attempting again, please see email message below, and any help would be very welcome.

Good Afternoon,

My name is Allison Ball and I am reaching out on behalf of SIEL Human Solutions and The Nest Health Clinic in Saskatchewan regarding a **current recruitment opportunity for a Physician Assistant (Temporary Full-Time position)**.

The Nest Health Clinic is a growing, patient-centered primary care clinic and one of the first clinics in Saskatchewan to integrate a Physician Assistant into its care model. We are currently seeking to connect with qualified Physician Assistants, including graduating students, recent alumni, and experienced professionals who may be interested in a collaborative primary care opportunity.

As part of our recruitment efforts, we are hoping to better understand the various channels available through your program and institution for employer engagement and candidate outreach. We would greatly appreciate any information you can provide regarding:

- **Job posting and employer recruitment platforms available through your program or institution**
- **Distribution of employment opportunities to current students or graduating cohorts**
- **Alumni communication channels and alumni-specific job boards**
- **Program newsletters, email distributions, or announcement opportunities**
- **Employer information sessions or recruitment presentations**
- **Career fairs, networking events, or employer engagement initiatives**
- **Clinical placement, preceptor, or professional networks that may be appropriate for recruitment outreach**
- **Upcoming events, conferences, or student engagement opportunities where employers may participate**
- **Any additional recruitment pathways or partnerships that may assist in connecting with Physician Assistant candidates**

We would also welcome any guidance regarding employer registration processes, recruitment timelines, or key contacts responsible for coordinating employer engagement activities.

Forwardable Position Summary (if helpful):

The Nest Health Clinic in Saskatchewan is recruiting a Physician Assistant for a full-time primary care role within a collaborative, patient-centered clinic environment. The successful candidate will work alongside physicians and an interdisciplinary healthcare team to support expanded access to family medicine services. **Applications are currently being accepted and can be directed to:** [maryjo.radford@sielhumansolutions.com](mailto:maryjo.radford@sielhumansolutions.com)

A copy of the full job description is attached for reference.

Thank you for your time and consideration. We appreciate any information, recommendations, or opportunities you may be able to share regarding recruitment channels available through your program and institution.

Warm regards,

**Allison Ball**
