LifeSmart Health

NOW HIRING

Physician Assistant

Senior Care & Family Medicine

JOB TYPE	SCHEDULE	LOCATION	PAY
Full or Part-time	**Up to 40 hours/week**	**In person**	**Negotiable**

ABOUT THE ROLE

LifeSmart Health is seeking an experienced Physician Assistant to join our growing team. This role is well suited to a clinician with a strong interest in senior care and complex patients, balancing visits at a senior living community, with outpatient practice in a collaborative family medicine clinic (LifeSmart Medical)

The successful candidate will communicate effectively, work confidently both independently and within a multidisciplinary team, and demonstrate a passion for high-quality patient care. You will work closely with a primary supervising physician while practicing with autonomy and support within your approved scope.

SCHEDULE & WORK CONDITIONS

- Full-time or part-time, up to 40 hours per week
- Time split between Bright Water Living and our outpatient family medicine clinic
- Fast-paced environment with a supportive, collaborative team

KEY RESPONSIBILITIES

- Conduct comprehensive patient histories and physical examinations.
- Provide care to complex and geriatric patients in both senior living and clinic settings.
- Assist physicians in the assessment, management and follow-up care of patients.
- Educate patients and their families on treatment plans and ongoing care.
- Help patients navigate complex medical and social needs.
- Document all clinical encounters accurately and promptly in the EMR.
- Contribute to clinic initiatives and program development.
- Collaborate closely with supervising physicians, multidisciplinary healthcare teams and clinic staff.
- Maintain professional, ethical and responsible standards of practice in accordance with regulatory requirements.

QUALIFICATIONS & SKILLS

- Graduate of an accredited Physician Assistant training program acceptable to the College of Physicians and Surgeons of Manitoba (CPSM).
- Registered, or eligible for registration, with the CPSM to practise as a Physician Assistant, in good standing **(required).**
- Recent clinical experience, particularly with complex or geriatric patient populations.
- Ability to work independently and as part of a multidisciplinary healthcare team.
- Strong verbal and written communication skills.

- Experience using EMR systems (*Accuro preferred*).
- Professionalism, reliability and a strong work ethic.

ASSETS

- Recent experience in an outpatient, long-term care or community-based setting.
- Experience with medical billing.
- Additional language skills.

COMPENSATION & BENEFITS

- Competitive compensation, negotiable based on experience and aligned with market rates
- Extended health, dental and vision care
- Group RRSP/DPSP with employer matching

HOW TO APPLY

Interested applicants are invited to send their resume to **hiring@lifesmarthealth.ca**. Please include "Physician Assistant – Senior Care and Family Medicine" in the subject line.
